

CROCS ON THE ROCKS – Black River, YS Waterfalls and Appleton Rum factory

Discover the beauty of the scenic **South Coast** where your first stop is **YS Falls**, one of Jamaica's finest natural attractions. Go for a swim in one of the cool pools, swing on a rope like Tarzan and make a splash. Relax in this unspoilt tropical paradise and watch the Hummingbirds frolic. The Appleton Estate Rum Tour will take you on a journey through time to learn about the history of rum and to give you an inside look at how the finest rum in the world is made. Become a photographer at **Bamboo Avenue**, a road lined with giant bamboo plants that form a natural tunnel and then taste a typical Jamaican Lunch. Go on **safari** in the protected wetlands of **Black River** and meet our friendly **crocodiles** during a boat ride. In and around the majestic mangroves and the wetland you can spot a variety of birds like Egrets, Pelicans and maybe even the Fish eagle. The hidden side of Jamaica
