

HILL AND GULLY – Mayfield waterfalls

Go off the beaten path and fall in love with a different side of the island. In the middle of **the Jungle** you will gear up for a **river walk** upstream, wade through natural pools and pass some great **waterfalls** in an overwhelming surrounding. You are at the centre of a **nature lover's paradise** with an abundance of exotic flowers, plants, birds and other wildlife. See nature at its best and get to know the real Jamaica!
