

## REGGAE ROCKS – Nine Miles and Dunn’s River Falls

Visit **Nine Miles**, the village where the icon of reggae **Bob Marley** was born. Let your Rastafarian guide show you Bob’s birthplace and his famous rock pillow where he rested his dreadlocked head while seeking inspiration. Enter the mausoleum where Bob is buried with his beloved guitar and show your respect. Scenic winding roads take you to **Fern Gully**, a towering green tunnel of ferns and other plant life and into **Ocho Rios**. Admire the artists at the local Craft Market as you stroll around and maybe eat a local Patty before you climb the famous **Dunn's River Falls**, one of the world's most beautiful waterfalls. Enter the cool water at the beach level and climb 180 meters up limestone tiers shaded by rainforest. Two Jamaican treasures in one day!
