1. GENERAL INFORMATION

The resort is located on the Jamaican North coast, nestled on a small bay on a selected area of the coastline, with spectacular views of the Caribbean Sea. The modern design and luxury facilities of a first class hotel are in perfect harmony with the attractive natural surroundings characterized by the Caribbean Sea and the relief of the landscape. The resort also shelters an ultramodern spa of 6000m2, which is endowed with the most advanced facilities and offers a wide variety of therapies and services for guests. Nearby, about 10 minutes you will find the village of Lucea, and then a city of Montego Bay and its airport, which is approximately 30 minutes away.

The **GRAND PALLADIUM LADY HAMILTON RESORT & SPA** consists of a total of 516 rooms divided into 13 villas of three levels each with 6 one bedroom suites and 30 Jr. suites per villa and 48 "adults only" ocean front villa suites of two levels with 4 adult only suites in each.

The Grand Palladium Jamaica Resort & Spa is overseen by the management system of the quality of Palladium Hotels & Resorts, which guarantees an excellent level of consistent quality to our guests. In addition, we take very seriously the protection of the environment, supporting sustainable development of the environment in which our hotels are located.

6. DESTINATION

Montego Bay
Quiet and relaxing, Montego Bay offers year-round warm temperatures. You can swim or snorkel in clear waters in the Cave of the Doctor (Doctor's Cave) and Fletcher Beach, dive into the cave ominously named Widowmaker's Cave, or play golf on renowned courses such as the Half Moon and Tryall. Away from the beaten path, you can feed hummingbirds at the Rocklands Bird Sanctuary and visit the house Rose Hall Great House, a former sugar plantation with a spooky past. At dusk, enjoy a feast of Jamaican chicken, and dance to reggae music on Gloucester Avenue, also known as the Fashion Walk.

Lucea
45 km northeast of Negril is Lucea (6100 Ew.) It's pronounced as"Luzi". The center, with a large market, runs along a deep bay. The court building dates from the 19th century, The large clock tower arrived there by mistake, since was intented to be a gift from the German Emperor (or a large landowner in Germany) to the Caribbean island of St. Lucia. It was delivered to Lucea by an oversight, where it still remains.

Sightseeing Tours *:

• **4x4 Safari:** The only way to see Jamaica's natural beauty and experience its culture, history and diversity. The tour will not only will take you through Jamaica's rugged interior in a safari-themed 4x4 Land Rover, it will also show you the real Jamaica by highlighting Jamaica's local culture, including a stop at the former slave hospital converted into a church in 1846. In addition we will take a walk through the tropical foliage, discover hidden waterfalls, natural pools, hear the birds, and feel the natural mineral water, the smell of the jungle. This is the real Jamaica

• **Canopy:** back to nature through a series of terraces and platforms, connected by crossbars, mounted in the trees of the forest. We start with the complete safety instructions and demonstration of techniques performed by our certified guides, you put on a canopy harness that will stay with you through your adventure. Then the fun begins his first journey, flying over the Rio Grande. The journey is coupled with intermittent nature walks between each platform, which has unique and colorful names as "Cliff limestone" and "Stop Trio." The highlight of our trip is the "Inter-parish Express', which is more than a thousand feet long. Listen to and watch the water running as they

go up to 35 miles per hour across springs and the Rio Grande. This amazing experience of gliding silently through a tunnel of trees is the closest you will feel like to a bird.

• **Horseback Riding:** not only offers an adventure but it will also give you insight on Jamaica's second city and tourism capital, Montego Bay, while traveling through the rainforest in this area of Jamaica. You do not have to have experience to enjoy our trip, our horses are well trained and our guides will be there to help all riders along the road.

• **Kayaking Adventure:** Tour of the currents by the Rio Grande (2 miles). To begin, a short hike leads you to a hidden platform for launching the first of three trips where you'll have to fly 150 feet through the dense forest and the river itself. Enjoy the serenity, but the thrill of flight, which is connected in an intricate system of cables that will take you back to the river where you will catch the kayak to continue the adventure. The excitement continues as you paddle your way to the rope swing where you test your skills of Tarzan, or just take a refreshing swim in the calm river of Jamaica, before tackling the final waterfall.

• **Mystic Mountain "Rainforest Bobsled"** is the heart and soul of the activities of the rainforest of Jamaica, will have many opportunities to put on your explorer's hat and take a photo safari of the park that takes you from the sea to 700 meters above sea level to the top of the mountain, which extends over 100 hectares. Mystic Mountain is an unforgettable adventure for the whole family. The tropical rainforest environment allows you to enjoy a visit up close and personal with the fascinating ecosystem, in addition to giving you the opportunity to enjoy four exciting activities include SkyExplorer Mystic Mountain, Jamaica Bobsled, Canopy Zip Line and unique waterslide. Prepare to be captivated
